A PRESCHOOL MODEL WITH PURPOSE

Start a Preschool That Creates Impact

Kinderbee combines joyful early learning with practical partner support so you can build a school that families understand, trust and remember.

SPACE	INVESTMENT	MODEL	ROYALTY
Minimum 2,000 sq. ft.	₹10–₹15 Lakhs	Franchise / ReBrand	No Royalty

Why Kinderbee?

Kinderbee is built for partners who want more than a signboard. The model brings together curriculum, teacher guidance, parent engagement, quality support, portfolio tools and brand visibility in one preschool ecosystem.

Two partnership pathways

Own a New Preschool
Start with structured curriculum, brand identity, training and academic guidance.

ReBrand
Strengthen curriculum, parent confidence, visibility and classroom experience.

What Kinderbee helps you build

A joyful, safe and parent-friendly preschool where children develop confidence, curiosity, creativity, communication and a lifelong love for learning.

THE BUSINESS ADVANTAGE

Why Kinderbee Franchise Is the Best

Kinderbee's current franchise positioning combines educational quality, end-to-end support, a parent-friendly identity and a business-friendly No Royalty model.

1

Innovative Education

Future-ready play-based learning that develops curiosity, confidence and strong foundations.

2

Extensive Support

Guidance from setup and curriculum implementation to teacher development and ongoing review.

3

Brand Trust

A joyful preschool identity supported by consistent academics and parent communication.

4

Scalable Model

Suitable for new centres, ReBrand, daycare and wider early-years expansion.

5

Growth-Focused Model

A practical operating framework designed to support sustainable growth without percentage royalty.

6

Local Visibility

Branding, marketing direction and parent-facing communication strengthen neighbourhood presence.

BEST PRESCHOOL FRANCHISE IN INDIA WITH NO ROYALTY

A COMPLETE PARTNER PACKAGE

What You Get with Kinderbee

The partnership is designed around curriculum, planning, people, quality, family trust and a strong preschool identity.

Play-Based Curriculum

Exploration, imagination, movement, conversation, creativity and discovery.

WHAT FAMILIES EXPERIENCE

A Preschool Where Children Love to Learn

Kinderbee's learning philosophy becomes visible through classroom experiences, teacher interactions and the way learning progress is shared with families.

Why parents value Kinderbee

- Joyful and safe environment
- Child-friendly classrooms
- Play-based learning
- Trained and caring educators
- Meaningful school-home communication
- Holistic child development
- Confidence-building practices
- Structured progress documentation

Learning Through Joyful Play

Play supports imagination, language, problem-solving, coordination and social confidence.

Child-Centred Education

Children observe, explore, ask, imagine, create, share and reflect.

Holistic Development

Physical, emotional, social, intellectual, creative, ethical and language growth.

Learning Happens Everywhere

Stories, outdoors, music, movement, conversations and routines become learning opportunities.

Project-Based & Experiential

Children observe, discuss, create, present and reflect around real ideas.

Confidence & Resilience

Children are encouraged to try, make mistakes, learn again and grow with confidence.

AGE-APPROPRIATE LEARNING

Programs for Every Early-Learning Stage

Kinderbee supports age-appropriate early learning through structured preschool programmes, with additional care and enrichment options depending on centre scope.

Toddler

Sensory experiences, movement, music, play and social interaction.

Playgroup

Language, motor skills, play routines, creativity and social confidence.

Nursery

Foundational learning, storytelling, art, music, environmental awareness and guided play.

Junior KG

Readiness skills, language, numeracy, expression, curiosity and project-based activities.

Senior KG

School readiness, communication, confidence, creativity, literacy and numeracy.

Daycare*

A safe, caring and engaging environment beyond preschool hours.

After-School*

Enrichment activities that support creativity, confidence and joyful learning.

- Musical Skills
- Mathematical Thinking
- Scientific Curiosity
- Technology & Media Awareness
- Environmental Awareness
- Physical Wellness
- Ethical Thinking

*Daycare and after-school offerings are subject to centre scope, local suitability and the applicable agreement.

ONE BRAND. TWO STARTING POINTS.

Own a New Preschool or ReBrand

Your implementation plan reflects where you are starting - a new centre or a preschool that is ready for stronger systems and identity.

OWN A NEW PRESCHOOL

1. Review local demand, premises and budget.
2. Confirm site suitability and setup priorities.
3. Prepare classrooms, staffing, resources and routines.
4. Orient teachers and organise parent / admissions processes.
5. Complete readiness checks before children attend.

ReBRAND

1. Review enrolment, staff, resources, fees and parent concerns.
2. Assess what to Retain / Adapt / Replace.
3. Prepare staff orientation and parent communication.
4. Phase in Kinderbee identity and academic routines.
5. Stabilise attendance, retention, enquiries and teaching practice.

ReBrand transition framework

Days 1-15	Days 16-30	Days 31-60	Days 61-90
UNDERSTAND	PREPARE	INTRODUCE	STABILISE

The sequence is a planning framework. Site condition, school calendar and existing contractual obligations may change the timing.

A PROFESSIONAL PROCESS

From Enquiry to Opening

Each stage has a purpose, a decision and a next action so prospects know what happens next and partners know what must be completed before launch.

1 ENQUIRY & APPLICATION

Location, pathway, premises and readiness.

2 DISCOVERY & QUALIFICATION

Goals, fit, investment readiness and local context.

3 PROPOSAL & SITE / ReBRAND REVIEW

Recommended pathway, scope and centre-specific plan.

4 COMMERCIAL OFFER & AGREEMENT

Licence, commercial terms, responsibilities and centre conditions.

5 PAYMENT & 30/60/90 ONBOARDING

Brand, curriculum, teacher orientation and implementation.

6 READINESS, LAUNCH & REVIEW

Pre-opening checks, launch and ongoing support.
